## Design a BTC sticker competition!

To enable members to get to know other members in their street, we're running a competition to design a sticker. We need something which members who want to can display in their window to show discreetly that BTC members live there.

**£50**  
shopping voucher  
prize!

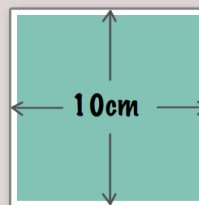

stickers should be circles or squares

10cm diameter or sides

visible from street level if windows are on upper floors

simple designs with no text will work best

Entries may be on paper or digital, and up to three entries per household are allowed.

Please send digital entries to [hello@brockley.coop](mailto:hello@brockley.coop) Paper entries can be dropped in at the office.

Closing date is 31st March.

## **Xmas – the panto**

“It was a great performance as usual and plenty of laughs for the children and adults alike.

We even got a shout out as an organisation which was lovely.”

## **Xmas – the draw**

To honour Brockley Co-op's 50th Jubilee, BTC Voice raffled 8 prizes: 5x Love2Shop £50 vouchers and 3x M&S hampers at the December 2024 General Meeting.

Here is Lily opening up the hamper that the family won in the draw!

**This year's  
seaside trip –**

## **Viking Bay, Broadstairs!**

Hold the date:

**Saturday 16<sup>th</sup>  
August**

*More details to follow*

## **Quick cheesy biscuits**

100g plain flour (may be brown)

100g soft butter or spread

80g grated cheese – at least half  
parmesan

½ tsp mustard powder (optional)

Put the ingredients into a blender and  
blend until everything sticks together  
in a sort of dough.

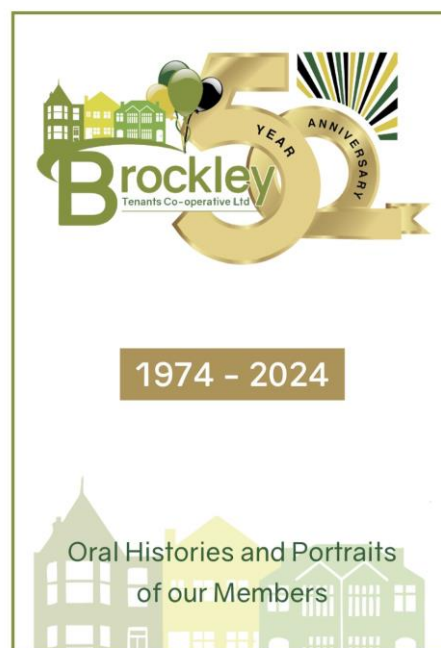

Roll this into a cylinder about 4cm  
across, with your hands, and put in  
the fridge in a bag for 30 minutes.

Slice into rounds about 5mm thick  
and bake at 190°C (gas mark 5). You  
may need two batches.

These do not keep very well, but tend  
to get eaten quickly!

## **Photo book**

The photos and captions which you  
might have seen at the July party  
are being printed up in a book –  
more details soon!

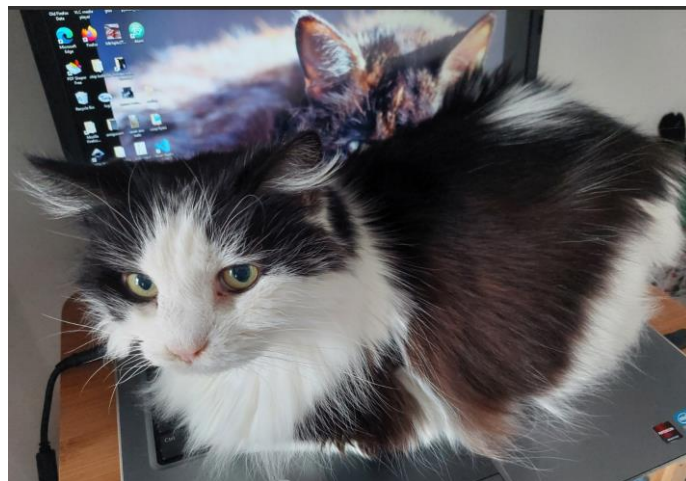

## Street trees!

Brockley Co-Op tenant Jim Carey issues instructions as sons, Tadhg and Aedan do all the hard work feeding 20 litres of water a week to their new 50th Anniversary Brockley Co-Op Canadian Maple street tree.

*Photo by Brockley Co-Op tenant Peter Brooker.*

If you would like to take care of a Tree for BTC, please contact [hello@brockley.coop](mailto:hello@brockley.coop) for more information.

## Pets' corner

*Kathy Vanner says:* This is Alfie, a former feral kitten, who 14 years down the line has decided he loves a lap to snuggle on.

Hobbies include admin obstruction and eating flies, although the latter has become slightly more tricky since he had most of his teeth removed - they keep escaping through the gaps.
